- Main Event Championship begins approximately 7:15 p.m. and is structured to end within about 3.5 hours.

**Buy-In, Re-Entries, and Starting Stacks**

- **Starting stack.** Each player will receive 25,000 chips to begin the tournament, plus 1,000 bonus chips for each point earned during the 2025 season.
- **Re-entries.** No re-entries will be permitted.

**Tables and Seating**

- Tables will typically play 7-handed maximum, but the Tournament Director may change the number of players per table at his discretion to facilitate the logistics of the tournament.
- Players will generally draw their initial table and seat assignment randomly. However, the Tournament Director may seat or re-seat players to facilitate the goals of fun and friendly competition (e.g. seating new players with people they know).
- In the interest of practicality, a seat may be drawn for late arriving players who have announced their intention to play. However, a player's stack will not be put into play until he or she has arrived at the tournament.
- The Tournament Director will have the discretion to move players from one table to another to balance the number of players at each table.
- As players are eliminated and tables are consolidated, the remaining players at a table being broken will draw randomly for new seats at the remaining tables.
- When 7 players remain, all players will draw seats randomly for the final table.

## Blind Structure

- Blinds increase every 15 minutes.
- Breaks will occur after Levels 4, 8, and 12.
